**HINOPAK MOTORS LIMITED
DIRECTORS' REVIEW
FOR THE HALF YEAR ENDED SEPTEMBER 30, 2010**

Greetings to the Shareholders!

In the first half of the company's financial year 2010 (April to September) the sale of trucks of all makes in the country remained almost at the same level as in the first half of last year - 1693 units against 1705 - but the sale of buses fell steeply from 393 units to 286.

SALES

In line with the decline in the national market, the sale of Hinopak's trucks and buses also fell to 1130 units from 1206 units in the corresponding six months of last year. Hinopak's share in the market however remained unchanged at 57%. Hinopak's sales in six months (Oct-Mar) showed a volume decline of 250 units. The company's market share in the preceding six months (Oct-Mar) was 61%.

SALES REVENUE

The sales revenue for the half year is Rs. 5 billion and gross profit at Rs. 365 million is 33% greater than the first half of last year. As a percentage of sales it rose from 5.5% to 7.2%.

FINANCE COST

The finance cost of Rs. 246 million includes a net exchange loss of Rs. 170 million mainly due to the appreciation of Japanese Yen against US dollar. The company closed the first half of the financial year with a bank borrowing of one billion.

PROFIT & LOSS

The loss after tax rose to Rs. 124 million from Rs. 56 million of last year's first half. The loss per share increased to Rs. 9.97 from Rs. 4.55.

OUTLOOK FOR THE SECOND HALF

The sales in the second half of the year are unlikely to improve as adverse factors persist, in fact are aggravating. Further, the impending imposition of Reformed General Sales Tax is going to add substantially to the prices of vehicles which would, inevitably, affect their sales. The management and workforce are doing all they can to keep the loss to the minimum by cutting cost and increasing productivity. In contending with the adverse conditions, the company expects support from the government, cooperation of the dealers and understanding of its shareholders.

Introduction

We have reviewed the accompanying condensed interim balance sheet of Hinopak Motors Limited as at September 30, 2010 and the related condensed interim profit and loss account, condensed interim cash flow statement, condensed interim statement of changes in equity and notes to the accounts for the half year then ended (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim profit and loss account for the quarters ended September 30, 2010 and 2009 have not been reviewed, as we are required to review only the cumulative figures for the half year ended September 30, 2010.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the half year ended September 30, 2010 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan.
