Hinopak Motors Limited

High-quality multigrade transmission oil specially formulated for Hino vehicles ensures smooth gear shifting and superior protection under varying temperatures.

It reduces wear and tear, enhances transmission efficiency, and extends the overall lifespan of vehicle components.

Hino Genuine Transmission Oil

APPLICATIONS

Suitable for all HINO vehicles' gear boxes, transmissions and most other diesel on-highway vehicles.

CUSTOMER BENEFITS

Superior Quality

Hino Genuine Transmission Oil is superior quality multi grade oil made from high quality base oils and special additives.

Superior Protection

It reduces the friction of inner parts of the transmission and protects them from wear and rust thus keeping the vehicle moving in optimum condition.

Enhances Engine Life

Gives high quality maintenance of the transmission and gearbox and thus adds to the vehicle life.

PRECAUTIONS

Always lubricate your transmission with the Hino Genuine Transmission Oil.

Use of non genuine oil can damage your vehicle in the long run as well as increases the periodic maintenance cost and down time of vehicle.
